If you are looking for tranquility with beautiful views, then this is the ideal property for you! The small Los Pinos (The Pines) development is located within the municipality of San Miguel de Salinas, on the Campoamor road which provides a very pleasant drive through pine trees and citrus groves, past 2 golf courses, directly to Mil Palmeras beach, just under 15 minutes away. The apartment itself is freehold and located on the ground floor, accessed via just 2 steps from the communal outdoor area where you can soak up the morning sun. It has a build size of 30 m2 and an additional west-facing conservatory with great views which is directly accessed from the lounge. Although bijou in size, the apartment is cleverly designed and an ideal low-maintenance property with plenty of outdoor space on your doorstep, in beautiful surroundings. You can benefit from the morning sun on the east-facing entrance side of the property, and afternoon sun on the west-facing terrace. The town centre of San Miguel is only 2km or a 25 minute (downhill) walk away, and there is an excellent taxi service to bring you back if you have over-indulged on the tapas! There is also an excellent international restaurant (Pimientos) just 3 minutes walk from the property where you can enjoy some really excellent cooking and fine wines. There is plenty of parking available at Los Pinos, and you will find it hard to find a property at this price in such beautiful surroundings! This property is exclusive to Villas Fox, so call us directly if you would like to make it your own!
